

COLORADO DOWNTOWN STREETS WORKSHOP

#CODOWNTOWNSTREETS

Colorado is experiencing a steady increase in population and tourism, and with this comes an interest in revitalizing our downtowns and main streets.

Come to this **FREE** and **INTERACTIVE** half-day workshop to learn how communities can strike a balance among the many demands that face our downtown streets. Learn how to communicate and work with state and local agencies, identify problems, consider solutions, and get projects built to improve your downtown.

This workshop is designed for community residents, engineers, planners, advocates, and anyone else interested in making their downtowns better. Workshop attendance is limited so sign up now!

WHEN: Tuesday, April 23 9:30am - 2:00pm

WHERE: Memorial Hall, 175 N. 1st Street, Hotchkiss, CO

TO REGISTER: <http://tinyurl.com/y55en63p> or email info@communitybuilders.org

RSVP DEADLINE: Thursday, April 18th

***Workshop attendees will receive a FREE COPY of Colorado Downtown Streets: A Tool for Communities, Planners, and Engineers and LUNCH WILL BE PROVIDED**
