

FOR IMMEDIATE RELEASE:

**Delta, Colorado, April 16, 2020 – Delta County Daily Update**

**UPDATED Testing Information:**

Delta County Health Department is reporting 2 additional cases in Delta County, for a total of 15.

- Fourteenth case: Female, in her 20's, self-isolating at home who is a close contact of the 13th case.
- Fifteenth case: Female, adolescent, self-isolating at home who is a close contact of the 13th case.

Additionally, Delta County Health Department is reporting a total of 3 individuals being recovered and 1 death.

To date, 182 tests have been administered at Delta County Memorial Hospital. The results are 172 negative, 3 positive, and 7 pending.

**Community Updates:**

Delta County's Emergency Operations Center Ops Chief Mike Willardson, as well as Major David Wilcox and Sergeant First Class Tim Kretsch, from the Colorado National Guard, were on the ground today assisting with the food giveaway that was spearheaded by Jay Stoltzfus with Church of the World International. The event took place at Bill Heddles Recreation Center, in Delta; 1000 food boxes were given away valued at \$100 each. Delta County wants to thank the organizers and many volunteers that helped make this a smooth and successful event.

**What to do if you're sick:**

- <https://covid19.colorado.gov/isolation-and-quarantine>
- Self-isolate. If you develop a fever, cough or shortness of breath you may need to call your healthcare provider. Do not show up at a clinic, urgent care or the emergency department without calling ahead.
- Wear a mask and cover your cough or sneeze.
- Wash your hands frequently and don't share personal items (drinking glass or utensils) with others.
- If possible, sleep in a bedroom and use a bathroom that is not used by other household members.
- Getting rest and drinking plenty of fluids will likely be helpful for recovery.

Public Health officials also recommend residents prepare for an emergency that might require them to stay at home for several days, including having food supplies, water and medications.

**Protect yourself:**

- Stay at home: <https://covid19.colorado.gov/stay-home-except-essential-needs>
- Wear a mask when you leave your home or yard.
- Practice social distancing
  - Try to keep 6 feet between yourself and other people whenever possible, particularly when you or others are sick. No hugs, no handshakes.
  - Wash your hands regularly, especially before eating or touching your mouth and nose.
- Avoid close contact with people who are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
